

## Are you looking for independent living solutions for an adult with special needs?

**Thursday, September 27, 2018**

**7:00 PM to 9:00 PM**

**Christ Lutheran Church**

**2350 44th Street, SW, Wyoming, MI**

OASIS is hosting an informational meeting focused on creative solutions for independent living for adults with Special Needs. Come to our September meeting to start that journey. We are moving forward - helping families get together to create housing. This will be intentional, supportive and sustainable housing.

**OASIS members** will make connections and build relationships to help them develop a natural network of support – a cornerstone of our OASIS community building philosophy. Join Oasis and become part of a supportive community!

**Community Partnerships** - Based upon overwhelming need and dissatisfaction with residential options currently available, families and community resources, both public and private, work collaboratively to create intentional, sustainable communities for adult family members with Special Needs. Learn how working together we can create housing alternatives that are inclusive, safe, sustainable, near public transportation, appropriately supported, affordable, and in a community setting where friendships can develop.

**The Benefits of an OASIS Family Membership** - We can accomplish more working together than would ever be possible working alone. As co-creators of intentional communities we can plan with confidence knowing our sons and daughters will live securely and experience a fulfilling life when we are no longer available to provide for their care and support.

This is an inclusive meeting—your adult family member with special needs is encouraged to attend, meet new friends, and be involved in decisions regarding their own future.

**Please join us for this informative evening. Feel free to invite family and friends to come with you! Sign up by 9/24 by calling (616) 340-9627 or email: [Lynn@surdock.com](mailto:Lynn@surdock.com).** For more information about our next OASIS gathering please log onto our website at [www.oasiscommunity.info](http://www.oasiscommunity.info) or [facebook.com/OasisCommunityofWMich](https://facebook.com/OasisCommunityofWMich)
